Positive School Climate Pledge

The Lodi Public School system is committed to developing and maintaining a sustainable, positive school climate that fosters student development and learning necessary for a productive, contributing and satisfying life in a democratic society. We ask all members of our school community to support our efforts to prevent acts of harassment, intimidation, and bullying in our school system. Please go to our Lodi Public Schools Harassment, Intimidation, and Bullying webpage: <http://www.lodi.k12.nj.us/board-of-education/policies/harassment-intimidation-and-bullying> to review our *HIB Parent & Student Handbook*, in addition to our *Student Bullying*, and *Cyber-bullying* policies. We also encourage parents and students to review the general content of our webpage since it contains valuable information and helpful resources.

We invite parents and students to show their support of our **Positive School Climate Program** by signing and returning this pledge form to your school.

Please place a \checkmark in the box for your school
