

RIGHTS of PERSONS WITH HANDICAPS or DISABILITIES

It is the policy of the Board of Education that no qualified handicapped or disabled person shall, on the basis of handicap or disability, be excluded from participation in, be denied the benefits of, or be subjected to discrimination in employment or under any program, activity or vocational opportunities sponsored by this Board. The Board shall comply with §504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990. It shall also comply with the Individuals with Disabilities Education Act through the implementation of Policy No. 2460 and Regulations Nos. 2460 through 2460.14.

Notice of the Board's policy on nondiscrimination in employment (Policy and Regulation No. 1530) and education (Policy and Regulation No. 5750) will be included in the Board policy manual, posted throughout the district, and referenced in any district statement regarding the availability of employment positions or educational services.

Employment

No employee or candidate for employment shall be discriminated against in recruitment, hiring, advancement, discharge, compensation, training, transfer, or any other term, condition, or privilege of employment solely because of his/her handicap/disability, provided the employee or candidate can, with or without reasonable accommodation, perform the essential functions of the position sought or held.

No candidate for employment shall be required to answer a question or submit to an examination regarding a handicap/disability except as such handicap/disability relates directly to the performance of the job sought. No candidate will be discriminated against on the basis of a handicap/disability that is not directly related to the essential function of the position for which he/she has applied.

Reasonable accommodations, not directly affecting the educational and/or instructional program, shall be made to accommodate employment conditions to the needs of qualified persons with handicaps/disabilities. Such accommodations may include, but are not limited to rescheduling; restructuring jobs; making facilities accessible; acquiring or modifying equipment; modifying examinations, training materials, policies and procedures; and providing readers or interpreters.

The Board employment policies and procedures shall comply with the Americans with Disabilities Act.

Facilities Accessibility

No qualified handicapped/disabled person shall, because of the school district's facilities being inaccessible or unusable by handicapped/disabled persons, be denied the benefits of, be excluded from participation in or otherwise be subjected to discrimination under any program or activity offered by the Board. No new facilities shall be constructed that do not fully comply with §504 of the Rehabilitation Act of 1973 and the American with Disabilities Act. Alterations to existing facilities or part thereof, shall be altered in such a manner to the maximum extent feasible, that the facilities are readily accessible and usable by individuals with handicaps/disabilities who have a need to access Board facilities.

Educational Program Accessibility

No qualified handicapped/disabled person shall be denied the benefit of, be excluded from participation in, or otherwise be subjected to discrimination in any activity offered by this district.

The Board has an affirmative obligation to evaluate a pupil who is suspected of having a handicap/disability to determine the pupil's need for special education and related services. The Board directs that all reasonable efforts be made to identify unserved children with handicaps/disabilities in this district who are eligible for special education and/or related services in accordance with Policy No. 2460 and Regulations Nos. 2460 through 2460.14, the Individuals with Disabilities Education Act, §504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act of 1990.

Section 504 of the Rehabilitation Act requires the Board to address the needs of children who are considered handicapped/disabled under §504 and do not qualify for services under the Individuals with Disabilities Education Act. A pupil may be handicapped/disabled within the meaning of §504, and therefore entitled to regular or special education and related aids and services under the §504 regulation, even though the pupil may not be eligible for special education and related services under Part B of the Individuals with Disabilities Education Act.

No pupil will be denied, because of his/her educational handicap/disability, participation in co-curricular, intramural, or interscholastic activities or any of the services offered or recognitions rendered regularly to the pupils of this district.

There will be grievance procedures for persons alleging discriminatory acts by the Board and/or staff. The due process rights of pupils with handicaps/disabilities and their parents will be rigorously enforced.
